

THE GOOD FIGHT

as sung by St. John the Forerunner Greek Orthodox Monastery in Goldendale, WA

Raise up the ban - ner of the Cross_ high a - bove._
For love my friends is a ver - y sa - cred word_
For love_ binds us all to - geth - er through the chal - ice,

In ev - ery strug - gle may it be our in - spi - ra - tion.
and for it Christ's hands were pierced up - on the wood._
through the bod - y and the blood_ of our Christ._

The gold - en sym - bol of our Sav - ior and our Christ,
For it thou - sands of the mar - tyrs bore their cross
And it fills us ev - ery mo - ment with joy.

may it guide_ and il - lu - mine our souls._
and thou - sands shed their blood like riv - ers flow - ing.
It makes our hearts_ blos - som like_ par - a - dise._

We have all cho - sen to fight the good fight with love for Christ as our

goal and as our mot - to. We know the road to the King - dom of God

has its be - gin - ning in - side of our hearts._ We know the road to the

King - dom of God has its be - gin - ning in - side of our hearts.
